E. TIME FRAME

The length of the contract is one (1) year with possible renewal annually and will become effective on the date it is signed by all parties and will end no later than June 30, 2023, contingent upon funding, availability, and level of satisfactory services rendered. The District will have the option to renew the contract annually for up to two (2) additional years based upon successful performance in the first year of the contract with marked improvement in student achievement. A contract will be awarded to the vendor whose proposal is determined to be the most advantageous to the District, taking into consideration the price and the evaluation factors set forth in the RFP.

F. TYPE OF CONTRACT

It is anticipated that this Contract will be a fixed price contract with payment made upon completion of tasks identified within the proposal.

G. CONTRACTOR REQUIREMENTS

The Contractor will be responsible for all tasks required to complete the project as described in the Scope of Work.

- The Vendor must, at all times during the contract term and at their own expense, keep in full force and effect comprehensive general liability insurance with “personal injury” coverage; commercial or business auto liability insurance; physical and contractual liability coverage, with minimum limits of \$1,000,000 for each category.

H. CANTON PUBLIC SCHOOL DISTRICT

The specific responsibilities of the CPSD are as stated below:

J. AVAILABLE BUDGET

Because of the scope of this project we believe it should be possible for different proposers to arrive at vastly differing estimates of resources required. In an effort to assure a fair and equitable evaluation and award we will advise potential contractors of the funds available. It is anticipated that this will allow the proposers to explain exactly what the District will receive for this amount of funds and will allow evaluators to determine the best proposal based upon the qualifications and the description of what the State will receive in exchange for this amount.

K. FORMAT AND PROCEDURE FOR DELIVERY OF PROPOSAL

L. ACCEPTANCE OF PROPOSALS

The Canton Public School District reserves the right, in its sole discretion, to waive minor irregularities in proposals. A minor irregularity is a variation of the RFP, which does not affect the price of the proposal, or give one party an advantage or benefit not enjoyed by other parties, or adversely impacts the interest of the District. Waivers, when granted, shall in no way modify the RFP requirements or excuse the party from full compliance with the RFP specifications and other contract requirements if the party is awarded the contract.

M. REJECTION OF PROPOSALS

Any proposal shall be rejected in whole or in part when it is determined not to be in the best interest of the District, as provided by the Canton Public School Board regulations. Reasons for rejecting a proposal include, but are not limited to:

N. DISPOSITION OF PROPOSALS

All submitted proposals become the property of the Canton Public School District and will not be returned to the Offeror.

O. CONDITIONS OF SOLICITATION

The release of the RFP does not constitute an acceptance of any offer, nor does such release in any way obligate the CPSD to execute a contract with any other party. The Offeror shall assure compliance with the following conditions of solicitation:

1. Any proposal submitted in response to the RFP shall be in writing.
2. The CPSD will not be liable for any costs associated with the preparation of proposals or negotiations of contract incurred by any party.

Discussions may be conducted with offerors who submit proposals determined to be reasonably susceptible of being selected for the award for the purpose of clarification to assure full understanding of, and responsiveness to, the solicitation requirements, but proposals may be accepted without such discussions.
5. CPSD reserves the right to cancel this solicitation when it is determined in writing to be in the best interest of the District as provided by the CPSD School Board.
6. Any proposal received after the time and date set for receipt of proposals is late. Any withdrawal or modification of a proposal received after the time and date set for receipt of proposals at the place designated for receipt is late. No late proposal, late modification, or late withdrawal will be considered unless receipt would have been timely but for the action or inaction of District personnel directly serving the procurement activity.
7. Bidders shall acknowledge receipt of any amendment to the solicitation by signing and returning the amendment with the bid, by identifying the amendment number and date in the space provided for this purpose on the bid form, or by letter. The acknowledgment must be received by the CPSD by the time and at the place specified for receipt of bids.
8. The bidder certifies that the prices submitted in response to the solicitation have been arrived at independently and without – for the purpose of restricting competition – any consultation, communication, or agreement with any other bidder or competitor relating to those prices, the intention to submit a bid, or the methods or factors used to calculate the bid prices.

The Contractor shall utilize its knowledge and understanding of applicable legal standards and comply with recognized professional standards and generally accepted measurement principles applicable to assessments and uses of the type described in this contract, including but not limited to standards relating to validity and reliability. - (2) *Contractor's Duties.* Notwithstanding termination of the contract and subject to any directions from the Procurement Officer of CPSD, the Contractor shall take timely, reasonable, and necessary action to protect and preserve property in the possession of the Contractor in which the CPSD has an interest.
- (3) *Compensation.* Payment for completed services delivered and accepted by the CPSD shall be at the contract price. The CPSD may withhold from amounts due the Contractor such sums as the Procurement Officer of CPSD deems to be necessary to protect the CPSD against loss because of outstanding liens or claims of former lien holders and to reimburse the CPSD for the excess costs incurred in procuring similar goods and services.
- (4) *Excuse for Nonperformance or Delayed Performance.* Except with respect to defaults of Subcontractors, the Contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by the Contractor to make progress in the prosecution of the work hereunder which endangers such performance) if the Contractor has notified the CPSD within fifteen (15) days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a Subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the Contractor shall not be deemed to be in default, unless the services to be furnished by the Subcontractor were reasonably obtainable from other sources in sufficient time to permit the Contractor to meet the contract requirements.

Upon request of the Contractor, the CPSD shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, the Contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of the CPSD under the clause entitled (in fixed-price contracts, "Termination for

Convenience,” in cost-reimbursement contracts, “Termination”). (As used in this Paragraph of this clause, the term “Subcontractor” means Subcontractor at any tier).

- (5) *Erroneous Termination for Default.* If, after notice of termination of the Contractor’s right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (4) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the CPSD, be the same as if the notice of termination had been issued pursuant to such clause.
- (6) *Additional Rights and Remedies.* The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.

17. TERMINATION ON CONVENIENCE

- (1) *Termination.* The CPSD may, when the interests of the CPSD so require, terminate this contract in whole or in part, for the convenience of the CPSD. The CPSD shall give written notice of the termination to the Contractor specifying the part of the contract terminated and when termination becomes effective.
- (2) *Contractor’s Obligations.* The Contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination the Contractor will stop work to the extent specified. The Contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. The Contractor shall settle the liabilities and claims arising out of the termination of subcontractors and orders connected with the terminated work. The Canton Public School District may direct the Contractor to assign the Contractor’s right, title, and interest under terminated orders or subcontracts to the State. The Contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

18. PRICE ADJUSTMENT

- (1) *Price Adjustment Methods.* Any adjustment in contract price pursuant to a clause in this contract shall be made in one or more of the following ways:
 - (a) by agreement on a fixed price adjustment before commencement of the additional performance;
 - (b) by unit prices specified in the contract; or
 - (c) by the costs attributable to the event or situation covered by the clause, plus appropriate profit or fee, all as specified in the contract.
- (2) *Submission of Cost or Pricing Data.* The Contractor shall provide cost or pricing data for any price adjustment subject to the provisions of Section

19. COMPLIANCE WITH MISSISSIPPI EMPLOYMENT PROTECTION ACT

Contractor/Seller represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act (Senate Bill 2988 from the 2008 Regular Legislative Session) and will register and participate in the status verification system for all newly hired employees. The term "employee" as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, "status verification system" means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Contractor/Seller agrees to maintain records of such compliance and, upon request of the State, to provide a copy of each such verification to the State. Contractor/Seller further represents and warrants that any person assigned to perform services hereunder meets the employment eligibility requirements of all immigration laws of the State of Mississippi. Contractor/Seller understands and agrees that any breach of these warranties may subject Contractor/Seller to the following: (a) termination of this Agreement and ineligibility for any state or public contract in Mississippi for up to three (3) years, with notice of such cancellation/termination being made public, or (b) the loss of any license, permit, certification or other document granted to Contractor/Seller by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year, or (c) both. In the event of such termination/cancellation, Contractor/Seller would also be liable for any additional costs incurred by the State due to contract cancellation or loss of license or permit."

20. E-PAYMENT AND E-INVOICING /SAAS

The State requires the Contractor to submit invoices electronically throughout the term of the agreement. Vendor invoices shall be submitted to the state agency using the processes and procedures identified by the State. Payments by state agencies using the Statewide Automated Accounting System (SAAS), or any specific successor system (MAGIC) shall be made and remittance information provided electronically as directed by the State. These payments shall be deposited into the bank account of the Contractor's choice. Contractor understands and agrees that the State is exempt from the payment of taxes. All payments shall be in United States currency.

21. EQUAL OPPORTUNITY EMPLOYER

The Contractor shall be an equal opportunity employer and shall perform to all affirmative action and other applicable requirements; accordingly, contractor shall neither discriminate nor permit discrimination in its operations or employment

practices against any person or group of persons on the ground of race, color, religion, national origin, disability, or sex in any manner prohibited by law.

22. BOARD APPROVAL

It is understood that this contract is void and no payment shall be made in the event that the CPSD School Board does not approve this contract.

23. DEBARMENT AND SUSPENSION CERTIFICATION
