

Summer Educational Websites

- **Khan Academy**

<https://www.khanacademy.org/>

Khan Academy offers practice exercises, instructional videos, and a personalized learning dashboard that empower learners to study at their own pace in and outside of the classroom. We tackle math, science, computer programming, history, art history, economics, and more. Our math missions guide learners from kindergarten to calculus using state-of-the-art, adaptive technology that identifies strengths and learning gaps.

- **Ten Marks**

<https://www.tenmarks.com/>

Ten Marks is a program where students can master math concepts in a rigorous and supportive environment. The program helps students succeed with hints, videos, amplifiers, and game mechanics that foster intrinsic motivation.

- **Read Works**

<https://www.readworks.org/>

Read Works provides a library of nonfiction and literary articles and practice with reading comprehension and vocabulary lessons, formative assessments, and teacher guidance.

- **Common Lit**

<https://www.commonlit.org/>

CommonLit delivers high-quality, free instructional materials to support literacy development for students in grades 3-12.

- **Starfall**

<http://www.starfall.com/>

A free resource that includes supplemental custom worksheets, curriculum downloads, and informative guides.

- **ABC Mouse**

<https://www.abcmouse.com/>

This program of more than 850 lessons in ELA and mathematics has more than ten levels based on your child's needs. As your child completes each lesson, he or she is guided to the next one and is motivated to continue learning by ABCmouse.com's Tickets and Rewards System.
