

Canton Public School District has exciting news! Scores are in for our Third Grade Summative Assessment also known as Third Grade Gate. Our students did exceptionally well! Last year, the Mississippi Department of Education allowed districts to exit third graders who scored 2 or above on the exam in preparation for the more rigorous passing criteria that would go into effect this school year. Beginning this school year, third graders must score 3 or above on the exam to move on to the fourth grade. We are elated to announce that 72 percent of our third graders scored 3 or above on the exam! Congratulations to our students, parents, teachers, staff, and administrators for your hard work. Canton Public School District is leveling up!
