Introduction

The purpose of the handbook is to provide information that will help with questions and serve as a “quick reference” guide to the policies that pertain to the daily operation of the Canton Public School District. Not all district policies and procedures are included. The handbook is neither a contract nor a substitute for the official district policy. Rather, it is a guide to and a brief explanation of district policies and procedures related to employment. These policies and procedures can change at any time; these changes shall supersede any handbook provisions that are not compatible with the change. References to the policy book are as follows: G refers to all employees, and J refers to students.

Asbestos Statement

It is the policy of the Canton Public School District that no employee is expected to disturb or remove asbestos containing material as a part of their employment duties. Custodial and maintenance personnel are to report all damaged suspected asbestos containing material to the LEA designee for appropriate response.

Notice of Asbestos Management Program

In accordance with the Asbestos Hazard Emergency Response Act (AHERA) regulations established by the EPA, all school districts are required to provide an annual notification to all parents, teachers, and employees regarding our asbestos management plan.

This annual notification informs all persons of their option to review the Asbestos Management Plan for our school district. To provide continuing management of the asbestos in our schools, all Asbestos-Containing Materials (ACM) are inspected every six months by an accredited asbestos inspector. Any changes to these materials are recorded in a surveillance report as part of the management plan.

Additionally, an accredited Asbestos Management Planner conducts a comprehensive inspection of all ACM's every 3 years. This 3-year re-inspection has been performed as required and a copy has been filed with Mississippi Department of Education.

A copy of the Asbestos Management Plan is located in the principal's office at each school. In addition, copies of all Asbestos Management Plans for the district are maintained in the central office located at 403 East Lincoln Street. If you are interested in reviewing this information, please contact Director of Operations at 601-859-6850 to schedule an appointment.

Social Networking

Students, teachers, employees, and others are explicitly prohibited from participating in inappropriate social networking at all times. Conduct of this nature can have a detrimental impact at school, disrupt the educational process, and cause serious disciplinary action and/or legal ramification.

Electronic communication devices, other electronic devices, or inappropriate activity include, but is not limited to, computers, cell phones, e-mails, texting, facebook, my space, twitter, sexting, bullying, cyber bullying, blogs, chat rooms, etc.

Computer Security Measures/Access to Information

It is the policy of this district to protect student and employee privacy. Based upon federal guidelines, state law, and the Family Rights and Privacy Act, employee and individual student information will not be accessible to all computer users. Rather, only those persons with legitimate job-related reasons shall have access to confidential information.

Confidential data on individual students can be provided only to those persons having a current and direct relationship to that student. Requests for reports from outside agencies or persons must have prior approval of principal before school personnel can release the information.

Individual student data on district level performance will be made available to outside agencies or persons only through the release of the superintendent or his/her designee. District level data on individual employees can be provided to outside agencies only as required by law. District level financial data can be released only through the expressed approval of the Chief Fiscal Officer or designee.

Computer Passwords/E-mail

Access to the Canton Public School District networks and the Internet through school resources is a privilege, not a right. Inappropriate, unauthorized, and illegal use will result in appropriate disciplinary action being taken. Password protection for each computer is provided and maintained by the Office of Technology. Only proper, professional E-mail should be sent.

Confidentiality

As an employee of the Canton Public School District, you are entrusted with various types of confidential data. Your employment relationship with the district is based on trust, and you are expected to perform your duties responsibly and maintain the highest standard of confidentiality in safeguarding personal information and the confidentiality of records to which you have access. All employees with access to confidential information will exercise reasonable care to prevent the unauthorized use or dissemination of confidential information.

Student education records are treated as confidential under the Family Educational Rights and Privacy Act of 1974.

Field Trips

Field trip request forms must be submitted to the building principal for approval before being sent to the appropriate central office administrator for approval. Overnight and out-of-state field trips are coordinated by the superintendent and must be approved by the school board.

Food Services

Any employee may purchase breakfast and/or lunch in the school cafeteria. Meal prices are posted in the building cafeterias. The building food services manager should be notified:

1. when a class will not be eating in the cafeteria
2. in the event of a large number of visitors and/or
3. two weeks in advance when sack lunches will be needed.

Internships/Student-Teaching/Classroom Observations/Surveys

Canton Public School District educators who enroll in a program of study for obtaining licensure in school administration for K-12 may submit a written request to the Office of Personnel for consideration to participate in an internship. Internships are intended to provide the educator with an opportunity to develop a bridge between theory and practice. Moreover, an internship is an unpaid opportunity which allows the employee a chance to assess his/her administrative knowledge and skill in the school setting.

In addition, requests for student-teaching field experience, classroom observations, and surveys require approval and written request. When these opportunities are granted by the district, they are intended to support and partner with

colleges and universities. The district's goal is to link research and practice to improve the quality of teaching and learning. Likewise, the district also places a high premium on protecting instructional time and will exercise appropriate control over excessive requests. To avoid interruptions that will affect instructional time, the Canton Public School District will grant permission on a case-by-case basis. (See the Office of Personnel)

Internship Agreement and Guidelines

Approval to participate and complete an internship is considered a privilege granted by the Canton Public School District and is not in any way connected with employment. The Superintendent reserves the right to revoke approval prior to initiation or during completion of the internship, due to just cause. The Internship Guidelines are subject to changes, as deemed necessary by the Superintendent.

Note: *The Mississippi Department of Education does offer to school districts an opportunity to participate in the MS School Administrator Sabbatical Program. This administrator sabbatical program allows districts to recruit teachers with demonstrated leadership skills and enable them to complete their university preparation within one school year.*

Line of Communication and Authority

All school employees, except the board attorney, are responsible to the school board through the superintendent. Situations not readily resolved should be brought directly to the administrator in charge of that area. When necessary, the administrator will refer the situation to the next higher level of authority. The superintendent or his/her designee will attempt to bring closure or resolve by investigating a situation prior to board referral.

The principal or other appropriate administrative person has the authority to recommend to suspend employees under their supervision with the superintendent's approval for failure to comply with district policies.

Media Contact

Contact with radio, television, newspaper, or any other media source should be made through the Office of the Communication Specialist or the Office of the Superintendent. The level of professional training of each teacher to be used in establishing the salary allotment for the teachers for each year shall be determined by the type of valid teacher's license issued to those teachers on or before October 1 of the current school year.

Licensure Renewal

The MS Department of Education requires teachers and other school personnel to be properly licensed for the position they hold to validate professional competence and to remain in compliance with accreditation standards. Maintaining an appropriate, valid license is the responsibility of the employee, not the school district. The Canton Public School District cannot offer a contract for employment to an individual who does not possess a valid license. For additional licensure information, contact the Mississippi Department of Education, Office of Educator Licensure at (601) 359-3483 or visit www.mde.k12.ms.us/ed-licensure.

Performance Evaluations

Evaluation of an employee's job performance is a continuous process that focuses on improvement and is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned director, principal or supervisor. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive a copy of their written evaluation. In addition, an employee must receive a positive evaluation and recommendation from their director, principal, or supervisor to be considered for employment for the upcoming school year.

Personnel Files

Personnel files for employees are maintained by the Office of Personnel and the Office of Business and Finance. Because it is important to have current and updated information in each employee's personnel file, employees are

asked to notify the Office of Personnel of all changes of name, address, telephone number, education, emergency contacts, or other information needed for accurate employment records.

Each employee has the right, to the extent permitted by law, to examine his or her personnel file in the presence of the appropriate human resources representative. All original employee personnel records remain the property of the Canton Public School District. However, employees are entitled to copies of certain personnel documents as provided by law.

The Canton Public School District will charge a fee of five dollars (\$5.00) per page for copying information. Information listed on the front and back will be considered as two (2) individual pages. Contents of a personnel file may include but is not limited to transcripts, contracts, licenses, and other pertinent information. There are some items in the personnel file which an employee does not have access.

Vacancies

Employees have an opportunity to apply for positions for which they qualify. If a position for a certified staff member becomes vacant during or after the beginning of the school year and the position must be filled immediately in order to avoid interruption of the instructional program, the administration shall be free to fill the position without delay and without formal notification of all personnel. Notifications of open positions will be posted and will be updated periodically. Announcements of vacancies typically include but are not limited to the following information:

2. Description of job

The superintendent will ensure that job positions are classified as exempt or non-exempt and that employees are made aware of such classifications. For purposes of compliance with the Fair Labor Standards Act, the workweek for school district employees will be **Sunday through Saturday (7 days)**.

Attendance

The Canton Public School District expects all employees to assume responsibility for their attendance and punctuality as an integral part of their employment. Regular attendance is expected of every employee. Excessive absence on the part of Canton Public School District employees may have a negative effect on the educational services provided by the district, on the instructional program, and the continuity of instruction to all students. Employees should recognize that absences are disruptive to the work environment and decrease productivity and employee morale. All employees should realize that they are obligated to not make commitments during the day that may be scheduled at an alternative time. Should an employee be unable to work because of illness, injury or any other reason, you are required to notify your immediate supervisor. (See GHJ)

Some activities may extend beyond the normal workday. Work schedules for other employees will be defined by the superintendent or his/her designee, consistent with the Fair Labor Standards Act and the provisions of this policy.

Districts must ensure that exempt and non-exempt employees with a contract greater than 187 days (i.e. administrators, with 220, 230, 240 day contracts) are in fact working the actual number of days of the contract.

- As an example, there are 261 weekdays from July 1, 2011 to June 30, 2012. If an administrator takes off 10 days at Christmas, 5 days at Thanksgiving, 5 days for Spring Break and 1 day for Martin Luther King Day for a total of 21 days not worked, the administrator must use leave for any other days not worked of the 240 days on contract.
- It is extremely important that leave is documented and reconciles to time worked. Not just for administrators, but for all employees whether they are contracted or not.

Classified Employees (Non-Exempt)

Classified employees work 40 hours per week, but the shifts may vary depending upon the job. The workweek for school district employees will be Monday through Friday. A workweek that exceeds 40 hours must be cleared in advance by the principal or supervisor and approved by the superintendent. Workdays are set by the calendar and adopted annually by the school board. All employees are expected to comply with the work schedules established for their particular area. An employee can be compensated for overtime hours at the rate of 1½ hours off for 1 hour of overtime work. Time off must be cleared in advance with the principal or supervisor and approved by the superintendent. Classified employees are required to clock in and out at the beginning and end of the each workday.

Each employee must clock in and out themselves. Employees are expected to clock out and in for lunch. Salaries for classified staff are set according to the current salary schedule. Step increases are not given automatically.

Overtime and Compensatory Time

Overtime is legally defined as all hours worked in excess of 40 hours weekly and is not measured by the day or by the employee's regular work schedule. The Canton Public School District discourages overtime work by non-exempt employees. A non-exempt employee will not work overtime without the express approval of the **superintendent**. All overtime work must be expressly approved in writing by the superintendent. Only in the case of extreme emergencies (weather related, crisis, catastrophic event or natural disaster, etc.), the supervisor may request and/or grant overtime at short notice. All directors and principals must monitor overtime on a weekly basis and report such time to the superintendent. Directors and principals will monitor employees' work, will ensure that overtime provisions of this policy and the Fair Labor Standards Act are followed and will ensure that all employees are compensated for any overtime worked. Directors and principals may need to adjust daily schedules to prevent non-exempt employees from working more than 40 hours in a workweek. Non-exempt employees will be compensated for minimal overtime accruals. Accurate and complete time sheets of actual hours worked during the workweek will be signed by each employee and submitted to the superintendent. **An employee must request comp time one week prior to taking the time.**

An employee may be compensated for overtime hours at the rate of 1 ½ hours off for 1 hour of overtime work. Time off must be cleared in advance with the director or principal and approved by the Superintendent.

Compensation

Employee pay is approved by the Canton Public School District Board of Trustees and set according to the current salary schedule. All salary schedules are based on step increases. Increases on the salary schedules are steps and NOT years of experience. Step increases are not given automatically. Copies of the salary schedule may be obtained from the Office of Business and Finance or Office of Personnel.

Employee Exit Questionnaire

The Canton Public School District is committed to the development and retention of employees. To support this commitment, the Office of Personnel has developed an exit questionnaire. This set of questions is designed to elicit information from an employee who has decided to leave (i.e. retiring, resigning, relocating etc.) the district. The information received from this process will provide insight into the district's work environment. Trends can be identified that may lead to changes in the workplace as well as employment practices. The primary goal is to improve employee retention within the Canton Public School District.

The purpose of completing the exit questionnaire is listed.

- Discover any issues that can be addressed to improve retention
- Monitor the recruitment and selection process
- Identify reasons why employees leave the district
- Identify areas requiring change
- Identify any improvements that can be made to any existing job for any new employee

Payroll

Garnishments

If the Canton Public School District receives a legally-binding garnishment for the collection of an employee's debt to a third party, the district will withhold from the employee's paycheck the appropriate amount prescribed by law until the debt is paid in full **and/or the district receives an official release of garnishment.**

Payday/Paycheck

Canton Public School District employees are paid on the last working day of the month. Paychecks and direct deposit statements are distributed to employees. Summer checks and direct deposit statements will be mailed unless otherwise requested to be picked up. All licensed employees (except those specified by board policy) will be paid an

annual salary in 12 equal monthly installments based on the current salary scale.

Payroll Deductions

Compulsory deductions include but not limit to:

1. Federal withholding tax
2. State withholding tax
3. Social security tax
4. State retirement (PERS): Retirement benefits are paid each pay period. The district pays 15.75% based on the employee's gross pay and the employee contributes 9.00% of the gross pay.
5. Bankruptcies and garnishments (when warranted)
6. Child support payments
7. Tax levies

Optional Deductions include but not limit to:

1. Hospitalization Group Insurance
2. Dental Group Insurance
3. Cancer/Intensive Care/Life Insurance
4. Tax Sheltered Annuity
5. Salary Protection Plan (disability)
6. United Way
7. Mississippi Deferred Compensation Plan
8. Medical Reimbursement/Cafeteria Plan

Mandatory Direct Deposit Effective July 1, 2012

Effective for the first payroll of the 2012-2013 school year, ALL Canton Public School District employees will be required to participate in direct deposit. This requirement is the result of the approval of Senate Bill 2761 that will modify 37-151-103 which states: "All school districts shall process a single monthly payroll with electronic settlement of payroll checks secured through direct deposit of net pay for all school district employees."

Employees who currently are not participating in direct deposit must secure a bank account, if necessary, and complete a direct deposit enrollment form and submit it to the payroll office no later than Monday, July 9, 2012.

Renasant Bank has agreed to provide free checking and other benefits for Canton Public School District employees. Employees who currently are participating in direct deposit must ensure that they continue to have active and updated bank account information. Direct Deposit will be the only form of compensation to employees.

Also, please be reminded that payroll checks/direct deposit notices will be mailed during the summer months so be sure to update your mailing addresses before leaving for the summer.

As always, you may contact the payroll department at (601) 859-2260 if you have any questions.

Cafeteria Plan Benefits

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., disability, cancer, dental, and additional life insurance). A third-party administrator handles employee claims made on these accounts. New employees must accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis and during the specified time period.

Health Insurance

The State of Mississippi provides major medical health insurance for full-time employees. Effective January 1, 2011, all full-time employees will be required to pay a portion of their major medical health insurance. Optional coverage, including dental, cancer, salary protection and life, is offered through companies approved by Canton Public Schools.

COBRA (Consolidated Omnibus Budget Reconciliation Act of 1986)

COBRA is a federal law that allows for continuation of coverage under an employer's group health plan to covered persons (called "qualified beneficiaries") in the event of a qualifying event.

A qualified beneficiary is an individual who, on the day before the qualifying event, is covered under the Plan either as an employee, enrollee's dependent spouse, or enrollee's dependent child. A qualified beneficiary is also a child

born to the employee, or who is placed for adoption with the employee during a period of COBRA continuation coverage.

A qualifying event is an occurrence which, but for the continuation coverage available under the Plan, would result in the loss of coverage for a qualifying beneficiary. Under COBRA, qualifying events include the loss of coverage that otherwise would result due to:

- Termination of employment, for reasons other than gross misconduct
- Reduction in hours of employment
- Death of the enrollee
- Divorce or legal separation
- Entitlement to Medicare
- Loss of dependent eligibility

If the qualifying event is divorce, legal separation, or ineligibility of a dependent child, the employee or qualified beneficiary must notify the Canton Public School District no later than 60 days after the qualifying event occurs; otherwise, continuation coverage may not be available. Any other enrollee or his qualified beneficiary must notify Blue Cross Blue Shield of Mississippi (BCBSMS) no later than 60 days after the qualifying event occurs; otherwise, continuation coverage may not be made available.

COBRA Continuation Coverage Checklist:

- ✓ A COBRA election form must be completed and returned to BCBSMS within 60 days of the date coverage ended or the date of the notice, whichever is later.
- ✓ The first premium payment must be made within 45 days from the date of election to continue coverage.
- ✓ The first payment must include all premiums due for the coverage period beginning with the COBRA coverage effective date through the current month.

Unemployment Compensation Insurance

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. As a general rule, cafeteria workers, substitutes, and some other classified employees may not work 12 months. These employees are generally off during the summer months. However, there may be some exceptions. Therefore, these employees are likely to file for unemployment benefits. However, the determination of whether an employee receives unemployment benefits is the decision of the MS Department of Employment Security. It is important to note that if an employee has reasonable assurance of employment during the next school term the employee may not be eligible for unemployment benefits.

Workers' Compensation

If an employee is injured on the job and must miss work due to no fault of their own, the employee may be eligible for benefits in accordance with the workers' compensation guidelines. Contributing to an injury for the purpose of collecting workers' compensation benefits could result in immediate termination.

Employee Leave

Requesting Leave

Prior to taking leave, employees are required to submit proper documentation. When leave is needed for doctor appointments, medical treatment, and any other reason, the employee must make a reasonable effort to schedule appointments and treatment so as not to unduly disrupt the operation of the Canton Public School District.

Bereavement Leave

Upon approval of an employee's immediate supervisor, full pay shall be allowed an employee for up to three (3) days on account of each death in the immediate family of the employee. Immediate family is defined as: mother, father, sister, brother, husband, wife, son, daughter, stepfather, stepmother, or person in loco parentis to the employee. An absence of one (1) day is allowed on the account of death of the following family members: grandfather, grandmother, granddaughter, grandson, father-in-law, mother-in-law, brother-in-law, sister-in-law, daughter-in-law, or son-in-law.

Employees may donate a portion of their earned personal and major medical leave to another employee who is suffering from a catastrophic injury or illness or another employee who has an immediate family member suffering from a catastrophic injury or illness.

Note: Requires prior approval or arrangement

Donated Leave Process

1. Employees may donate a portion of their earned personal and major medical leave to another employee who is suffering from a catastrophic injury or illness, or another employee who has an immediate family member suffering from a catastrophic injury or illness.
2. Family member is defined as only your spouse, parents, stepparents, siblings, children or stepchildren.
3. An employee must have exhausted all earned personal and major medical leave before being eligible to receive any leave donated by another employee.
4. The employee donating the leave ("donor employee") is required to designate the employee who will receive the leave ("recipient employee") and the amount of earned personal and major medical leave that is to be donated. Employees should complete the ***Donor Leave Request*** Form A (Part 2) for this purpose. The form must be submitted to the Office of Personnel.
5. The maximum amount of earned personal leave that an employee may donate to any other employee may not exceed a number of days that would leave the donor employee with fewer than seven (7) days of personal leave left, and the maximum amount of earned major medical leave that an employee may donate to any other employee may not exceed fifty (50) percent of major medical leave of the donor employee.
6. In order to receive donated leave, an employee must have been employed for at least twelve (12) months and worked at least 1250 hours by the date on which the donated leave is donated.
7. Before an employee may receive donated leave, he or she must provide his/her immediate supervisor and the Office of Personnel with a physician's statement.
8. Before an employee may receive donated leave, he/she must complete Form A (Part 1) the ***Canton Public School District Donated Leave*** form. The employee's physician must complete the ***Canton Public School District Certification by Physician*** Form B, which provides the District with the beginning date of the catastrophic injury or illness, a description of the injury or illness, a prognosis for recovery and the anticipated date that the employee will be able to return to work. The forms must be submitted to the Office of Personnel. The maximum period of time that an employee may use donated leave without returning to work is 90 days, which begins on the first day that the recipient employee uses donated leave. Form A (Part 3) is completed by the Office of Finance and Business.
9. Donated leave shall not be used in lieu of disability retirement.
10. No employee may donate leave after giving notice of separation for any reason or after termination.
11. Agencies having more than 500 employees may receive donated leave only from employees within the same agency. A recipient employee in an agency with 500 or fewer employees receive donated leave from any donor employee.
12. If the total amount of leave donated to a recipient employee is not used by that employee, the donated leave will be returned to the donor employee(s).

Military Leave

Family and Medical Leave Act

PURPOSE

The Family and Medical Leave Act (FMLA) applies to all public agencies, including state, local and federal employers, local education agencies (schools), and private-sector employers who employed 50 or more employees in 20 or more workweeks. The purpose of this policy is to provide for family and medical leave to school district employees in accordance with FMLA.

GENERAL POLICY STATEMENT

You must be eligible for FMLA. This policy applies only to **eligible** employees. Employees who have been employed with the Canton Public School District (CPSD) for at least 12 months and have worked 1250 hours in the immediate past 12 months are eligible for up to a total of 12 workweeks of **unpaid** leave during any 12 month period for the following:

REASONS FOR LEAVE

1. The birth of a son or daughter, and to care for the newborn child (within 12 months of birth).
2. The placement of a child with the employee for adoption or foster care (within 12 months of the placement).
3. To care for the employee's spouse, son, daughter, or parent with a serious health condition (not parent "in-law").
4. Because of the employee's own serious health condition which makes the employee unable to perform the function of his/her job.
5. Service member exigency leave: any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a covered military member on "covered active duty".

Qualifying exigencies include the following:

- **Short-notice deployment.** To address any issue that arises from the fact that a covered military member is notified of an impending call or order to active duty in support of a contingency operation (7) seven or less calendar days prior to the date of deployment. Leave for this purpose can be used for a period of (7) seven calendar days beginning on the date a covered military member is notified of an impending call or order to active duty in support of a contingency operation.
- **Military events and related activities.** To attend any official ceremony, program, or event sponsored by the military that is related to the active duty or call to active duty status of a covered military member and to attend family support or assistance programs and informational briefings sponsored or promoted by the military, military service organizations, or the American Red Cross that are related to the active duty or call to active duty status of a covered military member.
- **Childcare and school activities.** To arrange for alternative childcare when the active duty or call to active duty status of a covered military member necessitates a change in the existing childcare arrangement for a biological, adopted, foster child, stepchild, or a legal ward of a covered military member, or a child for whom a covered military member stands in loco parentis, who is either under age 18, or age 18 or older and incapable of self-care because of a mental or physical disability at the time that FMLA leave is to commence. Also, to provide childcare on an urgent, immediate need basis (but not on a routine, regular, or everyday basis) when the need to provide such care arises from the active duty or call to active duty status of a covered military member.
- **Financial and legal arrangements.** To make or update financial or legal arrangements to address the covered military member's absence while on active duty or call to active duty status. To act as the covered military member's representative before a federal, state, or local agency for the purposes of obtaining, arranging, or appealing military service benefits while the covered military member is on active duty or call to active duty status, and for a period of 90 days following the termination of the covered military member's active duty status.
- **Counseling.** To attend counseling provided by someone other than a health care provider for oneself, for the covered military member, or for the biological, adopted, foster child, stepchild, or a legal ward of the covered military member, or a child for whom the covered military member stands in loco parentis.

- **Rest and recuperation.** To spend time with a covered military member who is on short-term, temporary, rest and recuperation leave during the period of deployment. Eligible employees may take up to (5) five days of leave for each instance of rest and recuperation.
 - **Post-deployment activities.** To attend arrival ceremonies, reintegration briefings and events, and any other official ceremony or program sponsored by the military for a period of 90 days following the termination of the covered military member’s active duty status. Also, to address issues that arise from the death of a covered military member while on active duty status, such as meeting and recovering the body of the covered military member and making funeral arrangements.
 - **Additional activities.** To address other events which arise out of the covered military member’s active duty or call to active duty status provided that the employer and employee agree that such leave shall qualify as an exigency, and agree to both the timing and duration of such leave.
6. Military caregiver leave: twenty-six (26) work weeks of leave during a single 12-month period to care for a covered service member with a serious injury or illness if the eligible employee is the service member’s spouse, son, daughter, parent, or next of kin.
- Eligible employees may **not** take leave under this provision to care for former members of the Armed Forces, former members of the National Guard and Reserves, and members on the permanent disability retired list.

DEFINITIONS

- A. **Year:** An eligible employee is entitled to a total of 12 *workweeks* of family and medical leave during a 12 month period. For the purposes of this policy, “a year” is defined and designated as July 1 to June 30 as the leave year for family medical leave.
- B. **Serious Health Condition:** Means an illness, injury, impairment, or physical or mental condition that involves either:
- Inpatient care (*i.e.*, an overnight stay) in a hospital, hospice, or residential medical-care facility, including any period of incapacity (*i.e.*, inability to work, attend school, or perform other regular daily activities) or subsequent treatment in connection with such inpatient care; **or**
 - Continuing treatment by a health care provider, which includes:
 - (1) A period of incapacity lasting more than three consecutive, full calendar days, and any subsequent treatment or period of incapacity relating to the same condition, that **also** includes:
 - treatment two or more times by or under the supervision of a health care provider (*i.e.*, in-person visits, the first within 7 days and both within 30 days of the first day of incapacity); **or**
 - one treatment by a health care provider (*i.e.*, an in-person visit within 7 days of the first day of incapacity) with a continuing regimen of treatment (*e.g.* prescription medication, physical therapy); **or**
 - (2) Any period of incapacity related to pregnancy or for prenatal care. A visit to the health care provider is not necessary for each absence; **or**
 - (3) Any period of incapacity or treatment for a chronic serious health condition which continues over an extended period of time, requires periodic visits (at least twice a year) to a health care provider, and may involve occasional episodes of incapacity. A visit to a health care provider is not necessary for each absence; **or**
 - (4) A period of incapacity that is permanent or long-term due to a condition for which treatment may not be effective. Only supervision by a health care provider is required, rather than active treatment; **or**
 - (5) Any absences to receive multiple treatments for restorative surgery or for a condition that would likely result in a period of incapacity of more than three days if not treated.
- C. **“Eligible employee”** means an employee who has been employed with the Canton Public School District for at least 12 months and has worked 1250 hours in the immediate past 12 months.
- D. **“Employee’s spouse”** means husband or wife as defined by Mississippi law.

- E. **“Employee’s son or daughter”** means biological child, adopted or foster child, legal ward or the child for whom the employee is standing in loco parentis who is either under the age of 18 or above the age of 18 and incapable of self-care because of a mental or physical disability.
- F. **“Employee’s parent”** means biological parent or an individual who stood (or now stands) in loco parentis to an employee when the employee was a child (not to include parents-in-law).
- G. **“Employee’s immediate family member”** means spouse, son, daughter, or parent as defined above.
- H. For the purpose of FMLA, “serious health condition” means an illness, injury, impairment, or physical or mental condition that involves either in-patient care (over-night stay) in a hospital, hospice or residential medical care facility or on-going treatment by a healthcare provider.

GUIDELINES

1. The employee should contact the Office of Personnel and their principal or supervisor as soon as he/she is aware of the need to utilize family and medical leave.
2. When an employee seeks leave for FMLA – qualifying reason for the **first** time, the employee need not expressly assert FMLA rights or even mention the FMLA.
3. When an employee seeks leave, however, due to a FMLA-qualifying reason for which the employer has previously provided the employee FMLA-protected leave, the employee **must** specifically reference either the qualifying reason for leave or the need for FMLA leave.
4. The CPSD will require an employee to take any accrued leave as part of the FMLA leave. (personal leave, medical/sick leave, vacation leave, and compensatory time, etc.) After all leave is exhausted, **FMLA leave is unpaid or the balance of FMLA leave is unpaid.**
5. Under some circumstances, employees may take FMLA leave on an intermittent basis – taking leave in separate blocks of time/not all at one time for a single qualifying reason (i.e. taken for serious health conditions) – or on a reduced leave schedule – reducing the employee’s usual weekly or daily work schedule. When leave is needed for planned medical treatment, the employee must make a reasonable effort to schedule treatment so as not to unduly disrupt the employer’s operation. The CPSD may require an employee on intermittent leave to transfer temporarily to an available alternative position for which the employee is qualified, if the position has equivalent pay and benefit and better accommodates recurring periods of leave than the employee’s regular position.
6. Eligible spouses employed by the CPSD are limited in the **amount of** family leave they may take for the birth and care of a newborn child, placement of a child for adoption or foster care, or to care for a parent who has a serious health condition to a combined total of 12 weeks (or 26 weeks) if leave to care for a covered service member with a serious injury or illness is also used). Leave for birth and care, or placement for adoption or foster care, must conclude within 12 months of the birth or placement.

RIGHTS AND RESPONSIBILITIES

Employee Responsibilities

Employees must provide 30 days advance notice of need to take FMLA leave when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with the Canton Public School District’s normal call-in procedures. Employees must provide sufficient information for the District to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the District if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

The district must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees’ rights and responsibilities. If they are not eligible the District must provide a reason for the ineligibility. The District must inform employees if leave will be

designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the District determines that the leave is not FMLA-protected, the district must notify the employee.

MEDICAL CERTIFICATION

The Family and Medical Leave Act (FMLA) provides that an employer may require an employee seeking FMLA protection, submit a medical certification issued by the health care provider. The employee must provide the requested certification to the District within 15 calendar days after the District's request. The employee must provide a complete and sufficient certification to the District if required. The District shall advise an employee whenever a certification is found to be incomplete or insufficient, and shall state in writing what additional information is necessary to make the certification complete and sufficient. A certification is considered insufficient if the information provided is vague, ambiguous, or non-responsive. The District shall provide the employee with (7) seven calendar days to cure any deficiencies. If the deficiencies specified by the District are not cured in the resubmitted certification, the District may deny the taking of FMLA leave.

The District may request recertification no more often than every 30 days and only in connection with an absence by an employee.

The District may request recertification in less than 30 days if:

- 1) The employee requests an extension of leave.
- 2) Circumstances described by the previous certification have changed significantly.
- 3) The District receives information that casts doubt upon the employee's stated reason for the absence or the continuing validity of the certification.

BENEFITS COVERAGE DURING LEAVE

During family or medical leave, an employee will be retained on the CPSD's group health insurance coverage under the same conditions that would apply if the employee were not on family or medical leave. To continue health coverage, the employee must continue to make any contributions that he or she would otherwise be required to make. Failure of the employee to pay his or her share of the health insurance premium may result in loss of coverage. Your health and other benefit coverage may be cancelled if your premium payment is more than 30 days late. If the employee fails to return to work after the expiration of the leave, health insurance coverage will no longer be paid by the district.

FAILURE TO RETURN

The failure of an employee to return to work upon the expiration of a family or medical leave absence may subject the employee to immediate termination.

DONATED LEAVE

If an employee does not have any type of leave (personal leave, sick/medical leave, vacation, comp. time etc.), and the employee is still covered under FMLA (have not exhausted 12 weeks), donated leave may be an option. *(Note: The employee must be eligible for donated leave.)*

REINSTATEMENT

Employees will be returned to the same position or to an equivalent position to the one occupied before the leave began. An equivalent position is one similar in terms of pay, benefits, and terms of employment.

An employee returning from leave has no greater rights to reinstatement of a position, other benefits, and conditions of employment, than if the employee had been continuously working during the FMLA leave period. (e.g., in the case or reductions in force)

Under certain conditions a "key employee" may not be reinstated to the same or similar position. A "key employee" is a salaried "eligible" employee who is among the highest paid 10 percent of the School District's employees. The term "salaried employee" refers to the Department of Labor's regulation defining employees who may qualify as exempt from minimum wage and overtime requirements of the FLSA, as executive, professional and administrative employees.

Employee Code of Ethics

All Canton Public School District employees hold positions of public trust; they are responsible for the education of students and also serve as examples and role models to students. Each employee is responsible for both the integrity and the consequences of his or her own actions. The highest standards of honesty, integrity, and fairness each employee must exhibit when engaging in any activity concerning the district, particularly in relationships with vendors, suppliers, students, parents, the public, and other employees. Employee conduct should be such as to protect the person's integrity and/or reputation and that of the district. Employees shall not use their positions or assignments to influence students in a manner that would provide personal benefit to the employee. An unwavering commitment to honorable behavior by each and every employee is expected.

Appropriate employee conduct applies at all times and locations where the employee's conduct might reflect poorly on the school, the district, the employee's status as a role model for students, or to the extent otherwise permitted by law.

Employees shall perform their jobs in a competent and ethical manner without violating the public trust or applicable law, policies, and regulations. It is not practical or possible to enumerate all of the situations that might fall under these guidelines.

Employees must honor other policies, regulations, and approved practices that have been established. The absence of a law, policy, or regulation covering a particular situation does not relieve an employee from the responsibility to exercise the highest ethical standards at all times.

Failure to comply with the Employee Ethics and Standards of Conduct will result in disciplinary action up to and including termination.

1. Effective October 15, 2013 the Canton Public School District, may, at the discretion of the Superintendent, begin conducting pre-employment testing, reasonable suspicion testing of all personnel and random testing of all employees who drive motor vehicles or operate equipment such as tractors and lawn mowers.
2. An employee will be allowed to provide notice to the Canton Public School District of currently or recently used prescription or non-prescription drugs prior to the time of the test.
3. Random testing of motor vehicle drivers will be implemented using a neutral selection basis. Canton School District will not waive the selection of any employee chosen pursuant to the random selection procedures.
4. Reasonable suspicion is defined under this policy as the belief by Canton Public School District that an employee is using or has used drugs or alcohol in violation of Canton Public School District's policy. Reasonable suspicion may be based upon, among other things:
 - i. Observable phenomena, such as direct observation of drug use and/or the physical symptoms or manifestations of being under the influence of a drug;
 - ii. Abnormal conduct or erratic behavior while at work, absenteeism, tardiness, or deterioration in work performance;
 - iii. A report of drug use provided by reliable and credible sources and which has been independently corroborated;

- iv. Evidence that an individual has tampered with a drug and alcohol test during his employment with the current employer;
 - v. Information that an employee has caused or contributed to an accident while at work; and
 - vi. Evidence that an employee is involved in the use, possession, sale, solicitation, or transfer of drugs while working or while on school premises or while operating one of the school's vehicles, its machinery, or its equipment.
- b. If there is reasonable suspicion that an employee is using or has used drugs or consumed alcohol in violation of Canton Public School District's policy, that employee will be required to submit to a drug and/or alcohol test. The superintendent (or in his or her absence an appointed replacement) must approve in advance all reasonable suspicion testing. If the test result is confirmed positive for drugs or alcohol in violation of Canton Public School District's drug and alcohol policy, the employee will be subject to immediate termination of his or her employment with the district.
5. Any employee who refuses to take a drug and alcohol test will be subject to discipline, up to and including immediate termination of employment.
6. The following are drugs for which the district may test: alcohol, opiates, amphetamines, phencyclidine (PCP), marijuana, and cocaine.
7. An employee who receives a positive confirmation drug and alcohol test result may contest the accuracy of the result or explain the results within ten days of the date of such result by filing a written statement with the superintendent. An employee, at his or her own cost, also may request that the specimen be retested at a certified laboratory of his or her own choosing.
8. An employee who receives a positive confirmation test result and who fails to present a satisfactory contest or explanation to such result, or a contrary result from a certified laboratory of the employee's own choosing, will be subject to discipline, up to and including termination and shall reimburse the District for the cost of administering the drug and/or alcohol test.
9. *(Optional Provision)* -- If the district determines that discipline and/or discharge are not necessary or appropriate in a case where an employee is in violation of Canton Public School District's Drug and Alcohol Testing Policy, the employee as a condition of continued employment must complete a certified substance abuse rehabilitation program at the employee's own cost and expense. The employee may be allowed to work for the district while undergoing the treatment, but the employee must provide evidence of continued treatment and/or rehabilitation upon request. The employee must also agree to submit to random testing for three years after the date of the positive confirmation drug and alcohol test result.

A copy of this policy and state law regarding drug testing can be obtained from the district office.

Bullying and Harassing Behavior Policy and Procedures

The Canton Public School District does not condone and will not tolerate bullying or harassing behavior. Bullying or harassing behavior is any pattern of gestures or written, electronic or verbal communications, or any physical act or any threatening communication, or any act reasonably perceived as being motivated by any actual or perceived differentiating characteristic that (a) places a student or school employee in actual and reasonable fear of harm to his or her person or damage to his or her property or (b) creates or is certain to create a hostile environment by substantially interfering with or impairing a student's educational performance, opportunities or benefits. A "hostile environment" means that the victim subjectively views the conduct as bullying or harassing behavior and the conduct is objectively severe or pervasive enough that a reasonable person would agree that it is bullying or harassing behavior. Bullying or harassing behavior will not be condoned or tolerated when it takes place on school property, at any school-sponsored function, or on a school bus, or when it takes place off school property when such conduct, in the determination of the school superintendent or principal renders the offending person's presence in the classroom a disruption to the educational environment of the school or a detriment to the best interest and welfare of the pupils and teacher of such class as a whole.

The Canton Public School District will make every reasonable effort to ensure that no student or school employee is subjected to bullying or harassing behavior by other school employees or students. Likewise, the District will make every reasonable effort to ensure that no person engages in any act of reprisal or retaliation against a victim, witness or a person with reliable information about an act of bullying or harassing behavior. The District encourages anyone who has witnessed or has reliable information that a student or school employee has been subject to any act of bullying or harassing behavior to report the incident to the appropriate school official.

The School Board directs the superintendent or designee to design and implement procedures for reporting, investigating, and addressing bullying and harassing behaviors. The procedures should be appropriately placed in District personnel policy handbooks, school handbooks that include discipline policies and procedures, and any other policy or procedure that deals with student or employee behavior. The discipline policies and procedures must recognize the fundamental right of every student to take "reasonable actions" as may be necessary to defend himself or herself from an attack by another student who has evidenced menacing or threatening behavior through bullying or harassing. Furthermore, the Canton Public School District defines "reasonable action" as promptly reporting the behavior to a teacher, principal, counselor, or other school employee when subjected to bullying or harassing behavior.

Bullying or Harassing Behavior

Students and employees in the Canton Public School District are protected from bullying or harassing behavior by other students or employees. It is the intent of the Board and the administration to maintain an environment free from bullying and harassing behavior. This complaint procedure provides a process for filing, processing and resolving complaints of such conduct. Adherence to these procedures is mandatory. The failure of any person to follow these procedures will constitute a waiver of the right to pursue a complaint at any level, including review by the Board.

I. Definitions

Bullying or harassing behavior is any pattern of gestures or written, electronic or verbal communications, or any physical act or any threatening communication, or any act reasonably perceived as being motivated by any actual or perceived differentiating characteristic that (a) places a student or school employee in actual and reasonable fear of harm to his or her person or damage to his or her property, or (b) creates or is certain to create a hostile environment by substantially interfering with or impairing a student's educational performance, opportunities or benefits.

A "hostile environment" means that the victim subjectively views the conduct as bullying or harassing behavior and the conduct is objectively severe or pervasive enough that a reasonable person would agree that it is bullying or harassing behavior.

Bullying or harassing behavior will not be condoned or tolerated when it takes place on school property, at any school-sponsored function, or on a school bus, or when it takes place off school property when such conduct, in the

determination of the school superintendent or principal, renders the offending person's presence in the classroom a disruption to the educational environment of the school or a detriment to the best interest and welfare of the pupils and teacher of such class as a whole.

II. Procedures for Processing a Complaint

Any student or school employee who feels he/she has been a victim of bullying or harassing behavior, or has witnessed or who has reliable information that a student or school employee has been subject to bullying or harassing behavior shall report such conduct to a teacher, principal, counselor or other school official. The report shall be made promptly but no later than five (5) calendar days after the alleged act or acts occurred. The school official shall complete a "Bullying/Harassing Behavior" complaint form which shall include the name of the reporting person, the specific nature and date of the misconduct, the names of the victim of the misconduct, the names of any witnesses and any other information that would assist in the investigation of the complaint. The report shall be given promptly to the principal or superintendent who shall institute an immediate investigation. Complaints against the principal shall be made to the superintendent and complaints against the superintendent shall be made to the Board chairman.

The complaint shall be investigated promptly. Parents will be notified of the nature of any complaint involving their student. The District official will arrange such meetings as may be necessary with all concerned parties within five (5) working days after initial receipt of the complaint by the District. The parties will have an opportunity to submit evidence and a list of witnesses. All findings related to the complaint will be reduced to writing. The District official conducting the investigation shall notify the victim and parents as appropriate when the investigation is completed and a decision regarding disciplinary action, as warranted, is determined.

If the victim is not satisfied with the decision of the District official, he/she may submit a written appeal to the superintendent. Such appeal shall be filed within ten (10) working days after receipt of the results of the initial decision. The superintendent will arrange such meetings with the victim and other affected parties as deemed necessary to discuss the appeal. The superintendent shall provide a written decision to the victim's appeal within ten (10) working days.

If the victim is not satisfied with the decision of the superintendent, a written appeal may be filed with the Board. Such appeal shall be filed within ten (10) working days after receipt of the decision of the superintendent. The Board shall, within twenty (20) working days, allow the victim and parents as appropriate to appear before the Board to present reasons for dissatisfaction with the decision of the superintendent. The Board shall provide a written decision within ten (10) working days following the victim's appearance before the Board.
